August 2015

Greetings Adventurer Family!

What an exciting time to be part of this amazing ministry! This year there have been some changes to our Adventurer program, both in Ohio conference and the NAD.

By this time many of you have met our new Youth Director Pastor Edward Marton, who has brought many great ideas for our challenging assignment and we are excited about his plans to help the Adventurer family in the task of introducing our children to Jesus.

The Adventurer Club has a new logo as well as revisions to the Busy Bee to Helping Hand programs. Please be aware that the Adventurer program includes Little Lamb to Helping Hand in one club. The new logo embodies the meaning and purpose of the Adventurer program: “Bible Based – Each lesson presents Bible Truths (stories and memory verses); Family Oriented – be reminded that this is a family program and families should be included in all of our activities; and Focused on Jesus – by assisting families in developing a personal relationship with Him.”

**Adventurer yearly Themes**

2015 - Space: Blast Off with Jesus  
2016 - Discovering Pioneers  
2017 - Fearfully and Wonderfully Made  
2018 - Stories Jesus Told  
2019 - Nature: God’s Second Book  
2020 - God’s Children Around the World

Our Fun Day and Family Retreat are a time for each club and family to show their imagination and creativity through crafts, games, exhibits, and working together in readying our family and our world for Christ soon coming when we can all go home with Him to heaven.

We encourage each club to become more involved in outreach ministry this year. There are many ways our Adventurers can be involved in ministry at an early age. This will allow them to share what they have learned with others and realize the goal of presenting God’s word to others.

Thank you for your service to God in this ministry. Please know that the entire Adventurer Team is here to help you in any way we can, just let us know. We are willing to visit, teach lessons, awards, chips, stars, do staff training, or anything that can assist you in your ministry.

May God Bless,

Cherie Peden - Conference Associate Director - Adventurers

LOCAL CLUB ADMINISTRATION

The Adventurer Club gives the adult members of the church an excellent opportunity to work with their children. PARENTS are the primary target of the Adventurer Ministry and should be part of the program. The goal is to train parents how to be better parents for their children.

PROGRAM

The Adventurer Club staff is responsible for planning the club program. The director is the chairperson. Suggestions are welcomed from all sources. For best results the staff includes parents of Adventurers to help plan the program. The Adventurer Club program parallels the school year. Nominations for club officers and staff “if needed” should coincide with the Adventurer year not a January to December year. Any changes in the adventurer program should follow these guidelines as not to interrupt the Adventurer program.

CLUB STAFF

DIRECTOR: The Adventurer Club director is responsible for leading out in providing a program for the club that reaches the objectives successful. The Adventurer Club director presides at the staff meetings. He/she keeps in touch with the conference Adventurer district leader and sends in reports as required. He/she should be a person who understands kids, works well with a staff, carries responsibility, possesses an eagerness to recognize new ideas and shows initiative in implementing those ideas. Above all, the director is a sincere Seventh-day Adventist Christian whose life demonstrates what God can do. The Adventurer Club director is a member of the church board.

ASSOCIATE DIRECTORS: Associate directors accept assignments from the director and share in the leadership responsibilities of the club. The associate directors keep records and compile regular reports for the conference. They can assume the responsibilities of the finance officer, secretary and chaplain. In larger clubs an associate can be added to plan activities and nature projects, supervise crafts, and plan special events.

CURRICULUM & AWARD INSTRUCTORS: Instructors for Adventurer classes and awards can be drawn from the church, but specialists in certain fields may be selected from the community to conduct courses. The instructor’s responsibility is to teach the class and reflect Seventh-day Adventist Ideals.

Instructors must carefully study the class curriculum and requirements of the subject, award or craft to be taught before introducing it to the Adventurers. An instructor must work in close cooperation with the Adventurer classes coordinator or awards/craft coordinator to ensure that all the requirements are covered so the Adventurers may be invested.
SHIELD THE VULNERABLE

The Ohio Conference Administrative committee voted to implement Shield the Vulnerable as the mandatory background screening program for all local church volunteers ages 18 and up. In coordination with the North American Division and Adventist Risk Management, Shield the Vulnerable has setup an online training and background screening program for Seventh-day Adventist. This is a mandatory program required every 3 years.

All staff volunteers must complete their volunteer training and background screenings by October 1. Of course if there are people who volunteer to help in areas after this date, they must comply with the training and background screening before they are allowed to volunteer. This program will be on going and available for use as new volunteers apply.

TRANSPORTATION

We are living in different times and as a result to protect all involved in the Adventurer program, Ohio Conference will be adopting the North American Division policy for transportation. “The NAD guideline is that children must be transported by their parent or legal guardian. No groups in a church van or a bus without having the parent along and no personal vehicles. If a local club does something different they should seek council from the conference Risk Management person.”

Our program is a Family program and as such we do not have a volunteer transportation form which is for the Pathfinder program only.
ADVENTURER CLUB UNIFORM

The uniform makes the organization real and visible. It becomes emblematic and representative of an ideal, and standard. One of the ways to set up a standard and bring the members of an organization up to that standard is through the uniform. It should stimulate loyalty toward that standard by building morale and binding members into closer fellowship. It also appeals to those not already members to join. The uniform becomes a builder of club spirit.

The uniform is always neat and clean. Because the Adventurer Club program is valuable to each member, the uniform will be acquired and worn with enthusiasm by all club members and staff.

Class "A" Uniform should be worn

Uniforms should be worn on the following occasions:

- At regular Adventurer meetings, when applicable
- At special programs (Adventurer Day, Induction, Investiture, etc.)
- At Investiture services
- At any public gathering when any or all act as:
  - Messengers
  - Usher
  - Guards of honor
  - Color guards
  - First-aid volunteers
  - While engaging in missionary activities, such as Ingathering, distributing food baskets, bouquets, literature, or church announcements, band work, such as singing bands and sunshine bands
  - On occasions as specified by Adventurer staff officers

Field uniform for the Adventurers and staff is a T-shirt, blue jeans, and tennis shoes. Each club can create its own design for field uniform T-shirts and sweatshirts. A few suggestions for designs on T-shirts are:

a. Adventurer logo
b. Local club name
c. Adventurer and local club logo
**Girls Uniform**

The sash is navy blue and worn at appropriate times. AY honors are not to be worn on the Adventurer sash; only Adventurer awards are to be worn on sash. Little Lamb and Eager Beaver Stars and Chips are worn on the front of the sash and Adventurer Awards on the back.

You will find an Inspection Form enclosed in your “Adventurer Handbook”. Below is an explanation of this form.

This form is to be used by your Area Coordinator(s) when conducting an inspection of your club. You will notice that a scaled points-system is now being used to evaluate your club. If your club’s “Total Points” is less than 100, the inspection does not qualify to receive points toward Adventurer Honor Club. You will be responsible to arrange with your Area Coordinator(s) to have your club re-inspected.

Below are some guidelines for using this new form:

1. **Formation**
   For a “formal” inspection, the Adventurers will form in ranks by the club as a whole. The inspector may hold the club at attention throughout the inspection or direct the leader to give at ease to units or ranks as they wait to be inspected. These units or rank, however, will be called back to attention by the club director when the inspector begins inspection.

2. **Drill**
   Immediately after the inspection in ranks before they are dismissed, the Adventurers will be given a few simple drill movements. In many clubs the drill area may be limited. However, the following movements should be done correctly and precisely:

   a. Hand Salute  
   b. Present Arms and Order Arms  
   c. Parade Rest and Stand at Ease  
   d. Dress Right Dress  
   e. Right and Left Face  
   f. About Face

3. **Uniforms**
   Since the Adventurers will be notified of a “formal” inspection in advance, it will be expected they will be in their complete official Adventurer uniform, including the scarf and sash. Every Adventurer will have the required insignia sewed on correctly.

   The Inspection Form gives detailed information of what the Class “A” uniform is comprised.

4. **Courtesy & Discipline**
   When the inspection is being made, ask some of the Adventurers questions to see how they answer. All questions answered by the Adventurer should be followed by “Sir” or “Ma’am”. There will be absolutely no talking during any formation while the Adventurers are at the position of attention or at ease.
Watch for courtesy of Adventurers to their leaders throughout the entire inspection of the club, not just during the formation. Are they polite and considerate of one another?

Watch to see if the Adventurers obey orders promptly and cheerfully. Visit their classes and see if they are attentive and whether or not they listen to instructions and other information that is given. During any devotional part of the program, Adventurers should be especially reverent.

5. **American and Adventurer Flags**
   Each club should have an American flag and an Adventurer flag.

6. **Club Banner**
   The club banner should be displayed.

7. **Club Program**
   The club program should be well planned and balanced and should go off as scheduled. The meeting should open and close on time, and all other segments should begin and stop at the appointed period. The following should be included in every club meeting:
   
   a. Pledge to the American Flag  
   b. Adventurer Pledge & Law  
   c. Adventurer Song  
   d. Opening Devotional  
   e. Awards/Stars/Chips  
   f. Classes and/or Activities  
   g. Closing Prayer

8. **Club Records & Emergency Preparedness**
   Clubs are to have on file copies of each Adventurer application and their related medical information.

   Clubs need to be prepared to handle emergency situations that could arise during club time. The inspector will ask questions concerning the items listed under this heading and may also request to see these items (fire extinguisher, first-aid kit, phone, etc.) Clubs should routinely conduct fire drills.

   If you have questions concerning this form, please feel free to contact your Area Coordinator or OH Adventurer Resources at 740-397-4665 or youth@ohioadventist.org.

EXCELLENCE IN READING

This challenge project is designed to encourage families to spend quality time reading aloud together; to encourage the child with more advanced reading skills and to challenge “eager readers”—children who desire to excel in reading and to accomplish an award on their own.

REQUIREMENTS:

The Adventurer must read two books not previously read, in each of the following categories:

1. Nature
2. Mission or Biography
3. Bible
4. New Books—family choice (books published in the last 2 years)

HELPS

Books may be selected from recommended reading lists published by or listed on the Gateway to Reading list (for Adventist schools), or from the NAD Adventurer/Primary Book Club List.

Each reader should select books that are at or slightly above their reading level.

Books that are selected for families to read aloud together should be at or slightly above the child’s listening level. (Typically, the listening lever is 2-3 years above the child’s reading level.

REMINDER: These books are in addition to the yearly reading requirement assignment

NAD GUIDELINES FOR ADVENTURER FAMILY CAMP OUTS
North American Division Guidelines for Adventurer Family Camping

MARCH 2013

As stated in the introduction of the NAD Adventurer Club Manual on page XI, the purpose of the program is to assist parents as they strengthen their relationship with their children in spiritual growth and development.

When it comes to camping, we must be careful to not confuse Adventurer ministry with that of Pathfinders. The main difference is that the Pathfinder program does not require parental participation.

The only allowance stated in the Adventurer Manual for a camping experience is earning the Adventurer Camper Award (Page 251). Requirements #1 and 2 make it very clear that the parent(s) is the one teaching the camp award to her/his child(ren).

Given the fact that several of our conferences are engaging camping with Adventurers, in order to protect the children and staff we are implementing the following guidelines to be adhered to:

1. In the event of an Adventurer Family Camping experience, a parent or legal guardian MUST accompany their own child(ren) at all times. No exceptions.
   Note: This guideline makes a provision for Adventurers to camp, but only with their parent(s) or legal guardian.

2. Parents or legal guardians are not permitted to grant permission to Adventurer Staff to take their minor children overnight camping under no circumstances. No Exceptions.

3. Adventurer Staff are not permitted to accept permission or release forms from a parent or legal guardian to take their minor child(ren) camping overnight. No exceptions.

4. Adventurer Staff is prohibited from sleeping with children that are not their own. No exceptions.

5. Adventurers are not permitted to sleep in tents or cabins unsupervised. Neither are they permitted to sleep with another child, except if they are siblings and the parent(s) is present. No exceptions.

6. Each union and conference has the responsibility of introducing, implementing, and managing these guidelines to their constituents.

We trust that these guidelines will increase safety for our Adventurer children and their parents as well as reduce the liability for the Adventurer Staff.

Blessings,

James L. Black, Sr.
NAD Adventurer Ministry Director

The Philosophy of Adventurers
The purpose of having an Adventurer Club is to lead its children into a growing, redemptive
relationship with Christ, to build its families relationships, and to involve its children in active
selfless service. All Adventurer leaders are Christians, working hand in hand with parents,
teachers, and pastors providing optimum opportunities for Christian and family development. The
Adventurer Club is an extension of the home, school, and church. It is an experimental
environment where growth and learning flourish. The membership involves children in grades Pre-
K-4 (ages 4-9) who have a desire for family activities. These activities range from community and
world mission projects to nature, outdoor and camping activities, and Adventurer class curriculum.
Above all, Adventurers gives children an environment in which to actively expand their personal
experience with Christ and their home.

Your Commitment to Adventurers
We, the undersigned, have read, understand, and are in agreement with the above Philosophy of
Adventurers and agree to support our club through those means with which the Lord has blessed
our church. We will assist our Adventurer Club in the fulfillment of their ministry and to support the
Adventurer ministry of our conference. This application is good for the next 12 months (refer to

SHARE YOUR FAITH ACTIVITIES

From the beginning of the Adventurer year, each club needs to determine what the club will do for its major “Share Your Faith” Project. Adventurer Clubs are to use their imagination in planning projects. However, good examples of “Share your Faith” projects may include:

- Earn the Adventurer Evangelistic Award
- Parade including floats (class A uniforms)
- Can/Newspaper Collection
- Help the elderly
- Parties for physically challenged or needy children
- Clean-a-thon
- Visit shut-ins
- Birthday cards for nursing home patrons
- Environmental projects
- Town beautification projects
- Raise money to send a child to camp
- Adopt a needy family
- Bible drama for community, other churches and others
- Include physically challenged in the club (full activities)
- Adopt a club
- Historical site restoration
- Raise money for books for the library (church, school) or to give away in the community
- Flea Market for a needy project

It should be emphasized that 60% of the club be involved in this project. The clubs “Share your Faith” activity should become personal to each Adventurer.
